SPECIAL ATTRACTIVE OFFERS IN

Imported, grown and propagated from the World’s Best Obtainable Seed Strains and Stock Plants.

We Know How to Ship—Instant Service

Conditions of Sale
10 pot plants, 25 divisions, rooted cuttings, or transplants at 100 rate, 250 at 1000 rate. On account of additional labor cost labelling and packing, less quantities come higher, will gladly quote price.

TERMS—Remittance with order or C.O.D. with everyone regardless of rating, as no bookkeeping or collection fees are largely responsible for the low prices we make. No packing charges.

SUBSTITUTION—Should certain varieties or colors become exhausted, we will send others as near or better, unless advised to contrary, using our best judgment on what will do the best in your locality.

The E. F. Weaver Nurseries & Greenhouses give no warranty, expressed or implied, as to productiveness or life of any plants, bulbs, or seeds. Should any prove to be untrue to name, upon proper proof, we agree to replace those found untrue, but in no case will we be held accountable for more than the invoice price paid by the customer for the untrue stock.

WE TRY TO SATISFY

SPRING FLOWERING BULBS

World's Best—Nothing but the finest, largest, and best possible Imported Holland Bulbs. Those big Florists' Giant Exhibition varieties, showy handsome flowering sorts (not the weak short stem, small flower, that invariably comes from cheap second size Bulbs). We can supply these high quality Bulbs in the following Popular Named varieties:

GIANT CROCUS
Rainbow Mixture, 100 $2.00.

HYACINTHS
Mammoth Exhibition Size Only.
Bismarck, Light sky blue.
City of Haarlem, Fine pure yellow.
Dr. Lieber, Deep blue.
Gertrude, Rosy-pink.
King of the Blues, Dark blue.
La Victoire, Bright scarlet.
L'Innocence, Best pure white.
Marconi, Deep rosy-pink.
Queen of the Blues, Porcelain blue.
Queen of the Pinks, Light pink.
12 $1.25; 100 $8.50.

NARCISSUS, DAFFODILS
Very largest size, Named varieties only.
Double Von Sion, Large double golden yellow.
Golden Spur, Deep rich yellow.
Spring Glory, White perianth, yellow trumpet.
12 $1.25; 100 $8.50.

DARWIN TULIPS
Finest and Largest Size Bulbs, World's Best.
Anton Roozen, Vivid rosy-pink, white base.
Bartigon, Bright carmine-red.
Clara Butt, Delicate salmon pink.
Dream, Beautiful soft lilac.
Farncombe Sanders, Fiery rose-scarlet.
Inglescombe Yellow, Bright clear yellow.
Madam Krelage, Bright lilac-pink.
Pride of Haarlem, Brilliant rosy-carmine.
Prof. Rauwenhoff, Cherry-pink with salmon glow.
Sieraad Van Flora, Large bright red.
Named Varieties 12-50c; 100 $3.50.
Weaver's Exh Mixed, 12-40c; 100 $3.00.

COTTAGE OR MAYFLOWERING TULIPS
Finest sorts, largest size bulbs.
Inglescombe Yellow, Yellow Darwin.
Gesneriana Lutea, Tall fine yellow.
Gesneriana Major Spathulata, Rich scarlet.
Picotee, White, pink edged.
Named Varieties 12-50c; 100 $3.50.
Weaver's Exh Mixed, 12-45c; 100 $3.25.
EARLY SPRING TULIPS
Largest exhibition size bulbs.
Chrysolora, pure yellow.
Crimson Brilliant, Scarlet.
Keizerskroon, Red and yellow.
Prince of Austria, Brilliant orange-scarlet.
Named Varieties 12-50c; 100$3.50.
Weaver's Exh Mixed, 12-45; 100$3.25.

DOUBLE TULIPS
Very large and finest. None better.
Mr. Van Der Hoeff, Pure yellow Murillo.
Murillo, Fine blush pink.
Vuurbaak, Bright scarlet.
Price: 12-60c; 100$4.50.

BREEDER TULIPS
Bacuis, Dark violet-blue.

Hardy Giant Red and Purple Bush Moonvine.
5$1.75; 10$3.00; 100$22.50.

IPOMEA PANDURATA Tubers
Hardy Climbing Giant White Moonflower Vine.
10$1.50; 100$12.00.

LIATRIS BULBS
Native, Hardy Showy Perennial, see page 7.

My plants arrived in splendid condition, and you can well afford to brag about methods of packing. Enclosing check for the following ————

Rifle, Colo.

Carnation and Chrysanthemums arrived today and they are the nicest plants, I have even seen and they look none the worse for their long trip. Want to thank you for such nice plants and assure you when in need of other plants will order from you.
El Paso, Texas.
MISCELLANEOUS PLANTS
BULBS AND ROOTS

AMPELOPSIS Veitchii. Boston Ivy. Transplants, 100$2; 1000$18; 8-15 ins. 100$3.50.

ROSES. Hybrid Teas. Fine varieties, assorted to color. Red, Pink, Yellow, White. 2-yr. field grown, second grade, 100$15.

ASPARAGUS, Mary Washington, Rust and blight proof variety. Strong whole crown, 2-yr. roots, fresh from the ground, 100$1; 1000$5; 10,000$65.

RHUBARB, Giant Crimson. The old tried and proven market gardeners sort. Has been grown here at Wichita from divisions only, and improved in quality and size, for the past 38 years. Giant red juicy stalks, nothing finer, seldom seeds, stands drought and hot weather. Standard divisions, 100$4; 1000$35.

Mammoth Victoria, Undivided whole root crowns, 2-yr. 1000$3; 1000$25; 1-yr. 100$2; 1000$18; Seedling 100$1; 1000$8.

April 20, 1931.

Plants received in good condition and doing fine. Please send at once ————.

Globe, Ariz.

April 13, 1931.

Upon recommendation of ————, I ordered plants from you last year and they were wonderful and practically every plant grew. Many of my friends remarked that my grounds had never looked so attractive. I appreciate being able to get plants at so reasonable a price.

Yours very truly,

Topeka, Kansas.

May 19, 1931.

Shipment received in fine condition. More than pleased with the quality and prices of your stock, was particularly attracted by the light weight strong packing cartons. Will send another order later.

Yours very truly,

Austin, Texas.

March 17, 1931.

Ship at once ————. Last shipment arrived in good condition and extra good plants.

Mayport, Fla.

(Please read the following, and right during the hottest weather.)

July 30, 1931.

I received my order and want to tell you I am delighted with the plants and the way you ship your stock, I have never received any plants before in such good condition. Have bought plants from several states and big nurseries but none as nice as yours. I surely recommend you.

Decatur, Ill.
ACME—Bronze, red center, edged green. Excellent.

ADMIRATION—Deep claret-red, edged green and yellow.

AMERICAN BEAUTY—Rich American Beauty red of vigorous robust habit.

AZTEC—Lanceolated leaf, dwarf mottled, pea green.

BEAUTY—Dark red with rose center margined green. Strong growing variety.

BECKWITH'S GEM—Dark velvety—marooned bordered fiery-red, edged green and yellow.

BIG BEN—Large crinkled leaf, deep velvety purple shading to green and cream.

BIG TIM—Large thick leaf variety. Bright cerise red, mottled and spotted maroon, yellow and green.

BLACKBIRD—Leaves and stem almost jet black fringed leaf variety.

BOB ROY—Miniature Empress of India. Less bright but more dwarf and useful.

BRILLIANCE—Bright carmine red shading to deep maroon, margined yellow and green. Very popular variety. Differs slightly from Xmas Gem.

BRILLIANTISSIMA—A distinctive brilliant red sport of Golden Bedder with narrow yellow margin. Growth dwarf, bushy and compact. A magnificent new variety destined to become very popular.

BRONZE BEAUTY—Large mottled leaf. All that the name implies.

BUTTERFLY—Greenish yellow, deep red blotched.

CHICAGO BEDDER—Large creamy white center, with wide border of apple green. Attractive.

CHRISTMAS GEM—Strong vigorous habit. Leaves often 9 to 10 inches long, bright carmine, shading to deep maroon, yellow and green margin.

CORTEZ—(Seedling). Red ground, mottled, yellow white with green and yellow border. Showy, vigorous grower outside, especially desirable for arid sections.

COUNT CUVIER—Fiery red center surrounded with deep maroon, serrate olive-green edge.

DAZZLING GEM—Large pointed leaf, bright red clouded maroon. Bright green edge.

NEW DEFIANCE—One of the most beautiful yellow leaved Coleus. Leaves quite long, rich yellow, center red speckled. A true dwarf, much branched globe shaped variety.

DONALD GRAY—Flame nettle variety. Rose pink center crested bronze and nile green.

DR. WALTERS—Nile green ground intermingled with canary yellow and dark purple.

DUNERIA—Bright carmine, maroon center, beautifully scalloped edge of light red. Stunning.

ELDORADO—Golden yellow, purple red stem, leaf serrated with a minute red fringe.

EMPRESS OF INDIA—Brick red with bright golden yellow edge. A truly wonderful greenhouse Coleus and great for outside bedding.

FILLMORE BEAUTY—Large leaf, crimson center shading to chestnut brown, yellow edge. Excellent greenhouse variety, always well colored.

For Coleus prices see page 9.
NAMED COLEUS—Continued.

FIRECREST—Carmine-crimson serrated scarlet and a good one.

FIREBRAND—Flaming red. Extra fine variety.

FIREFLAME—A good red. Well named variety.

GETTYSBURG—Very similar color to New Defiance but not as prolific with us.

GLORY OF AUTUMN—Striking autumn shades. Fine propagator, excellent greenhouse and bedding variety. Strong grower with handsome foliage at all times.

GOLD BOUND—Brilliant crimson red with serrated gold edge. Dwarf and exceedingly attractive.

GOLDEN BEDDER—The most popular, pure yellow leaved sort. Much used for bedding, borders, fancy designs and filling for made up pans, but does not equal Weaver's Imp. New Defiance.

GRACE ADAMS—Pointed, crinkly edged leaf, variety of Joseph Coat type.

GREEN GODDESS—(New). Flame nettle leaf variety. An intermingling of nettle green, grape and pure white, veined bright purple.

HARDING, IMP—Similar to Hollywood but not so good. Hollywood is much the best for all purposes.

HELEN—Glorified Brilliance. Large pointed leaf with serrated edge of bright yellow and cardinal red. Dwarf compact growing sort.

HERO—Very dark, almost jet black. Leaf pointed with scalloped edge. Valuable for contrasts.

HOLLYWOOD RED—Maroon-red center with serrated edge of green, gold and bronze. Excellent dwarf, and a meritorious new variety. Brilliant greenhouse sort.

HOLLYWOOD ROSE—Beautiful rose-red center, bordered with deep copper and maroon, moss green serrated edge. Very showy outside. Dwarf bedding variety.

HURRICANE—Giant red and green mottled leaf.

JOSEPH'S COAT—An intermingling of many colors. The best retail variety.

LA VERNE—Attractive red leaf intermingled with maroon and bright green, fiery red veins. One of the best propagators in the Coleus family.

LEOPARD—True lavender center, wide border of jade green with miniature maroon flecks.

LIBERTY—Small leaf Brilliance. Solid bright red center, narrow yellow border, extra fine variety.

LORD ALVERSTON—Extremely beautiful and odd variety. Large leaf, deep mahogany red with purple sheen. Under greenhouse culture develops large blotches of green and yellow.

LORD PALMERSTON—Dark walnut red, a fine dark Coleus, large grower.

MAY LEVERING—Best Joseph Coat Variety. A larger leaf and more highly colored. Very prolific and one of the best dark bedders.

MESKERS—A variety similar to Hollywood but with us not nearly so good.

MRS F SANDERS—Intermingling of red and yellow, bright emerald green predominating. Very striking variety.

For Coleus prices see page 9.
NAMED COLEUS—Continued.

NEPTUNE—Flame nettle variety, large crinkled, scalloped leaf of green, red and yellow.
NEGRO—Very deep wine red, almost black. One of the finest dark varieties for contrasts.
ANNA PFITZER—Pea green background, maroon center, with pure golden yellow serrated edge. Very prolific. Handsome sort.
JOHN PFITZER—Maroon background with copper and bright bronze serrated edge. More dwarf than Anna.
PINK VERSCHAFFELTI—Attractive pink sort with yellow margin.

PRIDE OF THE NORTH—Center carmine-red with bronze luster, wide border of olive green, red flecked with the same color of red. A very charming Coleus.
PRINCE EDWARD—Large leaves of dark maroon veined brighter red, edged green.
QUEEN OF THE WEST—Creamy white center, narrow margin of pure yellow with wide bright green border, flecked maroon.
QUEEN VICTORIA—Meritorious and exceedingly prolific red variety with narrow yellow border. Liberty is an improvement.
RAINBOW—Gorgeous colors running from dark velvety-maroon through shades of brown, green, pink and yellow. The combination of colors vary in each plant.
RED CLOUD—Dark red of royal hue. A very beautiful and useful Coleus.
RED VERSCHAFFELTI—A rich velvety crimson with serrated edge.
RED SENSATION—Large leaf, Brilliant vermilion red. One of the reddest Coleus outside.
DARK SENSATION—Large pointed leaf of fiery crimson with velvety sheen. Strong grower.
SALVADOR—Dark red with pink and rose center marbled green.
SPOTTED GEM—Spotted and striped green, yellow and red. A showy Joseph Coat.
SETTING SUN—Sun-red bordered bright golden yellow shading to plum.
ST. BERNARD—Good blooming variety, excellent for pans. Leaf an intermingling of green and cream. Stems and veins bright red.
ST. LOUIS—Nile green background, rosy-purple center. Finely serrated edge.
SUNRAY—Bright rosy-red margined rosy-purple center. Finely serrated edge.
TRAILING QUEEN—Center a bright scarlet with green, yellow and white.
MRS. TURNER—Pointed serrated leaf, dark maroon center bordered bright green changing to red and yellow.
VARIEGATED TURNER—Turner leaf. Intermingling of bright red and golden yellow.
VELVET—Well named dark red velvety sort. Very prolific.
WM CARMEN—Round serrated leaf, maroon and jade green guinea specked.
YELLOW JACK—Dwarf bedding variety. Yellowish green with reddish stem and lower surface.

For Coleus prices see page 9.

ORNAMENTAL GRASSES see page 18.

COLEUS see pages 6-9.
HERBACEOUS PERENNIALS
ROCK GARDEN, ALPINE AND
 BORDER PLANTS

All plants listed are field grown, standard divisions, or Weaver’s Potted Plants, according to needs of different types and varieties. While Potted Perennials are more expensive to produce, experience has proven them far superior to other kinds, and unless otherwise ordered they will invariably be sent, as you get the complete root system with ball of earth, thereby eliminating usual planting losses.

PLEASE NOTE—
ALL ROCK GARDEN AND DWARF BORDER PLANTS such as Sedums, Veronicas, Santolinas, etc. are starred thus—*

BOG GARDEN, WATER PLANTS are proceeded thus—x

May 20, 1931.

Your splendid assortment of Perennials came today, arrived in fine growing condition. Please accept my hearty thanks to you for them and the extra ones you so generously included.

West Roxbury, Mass.
WEAVER’S
Perennial Plants

WHY TAKE CHANCES ON SEEDS OF HARDY-LIVE-OVER-WINTER—ROCK GARDEN AND HERBACEOUS PERENNIAL FLOWER PLANTS—
BETTER BUY WEAVER’S PERENNIAL PLANTS

All are flat grown transplants, divisions and rooted cutting plants (not seedlings), according to the best methods of propagating the individual varieties.

A great many of our customers are highly pleased with them (see testimonials, page 38).

In this way you may acquire most economically a large variety of good plants to pot up or line out for retail sales, growing on and cutting.

We sell such plants, unless otherwise stated, at the uniform price of 100$2; 1000$18; Packed free. 25 at 100 rate, 250 at 1000 rate.

The quantities priced are for 25 or more of any one kind or color, as we cannot sell less than 25 of any one variety or color at these low prices.

We can supply these plants in the following varieties:

Unsolicited Testimonials

They are unmistakable proof as to quality of stock, methods of shipping, and the satisfactory way we deal with our customer.

(1500 miles away, and plants arrive fine.)
May 25, 1931.

Plants came in fine shape and the Portulaca is so good I want 60 more and am enclosing check for $2.00. Your plants are cheaper and better than other. It is peculiar I live in New York and have to send to Kansas for plants and can say I have tried such leading firms as —— and ——, and ——, etc. Your plants are better and cost only half as much.

New York City.

May 20, 1931.

Received order today and well pleased with plants. Never seen such healthy plants—Arrived in such good condition and am sure all will live. Have only one regret—that I did not order all of my plants and shrubbery from you this spring.

Sheridan, Wyo.

March 27, 1931.

Plants came by express and I hasten to tell you how I appreciate the freshness and the fine condition they came in—not a wilted plant in the lot.

Yours truly,

Kansas City.

July 30, 1931.

Received my order of Umbrella plants, tickled to death with them.

Buffalo, N. Y.

July 1, 1931.

I want to thank you for your courtesy and prompt attention to my letter. It was splendid of you to make good the plants that were bad. We won’t forget your sense of fairness when we want plants again.

Very truly yours,

Asheville, N. C.

June 6, 1931.

Just received the 500 California Wonder Peppers and they are surely fine. Please send express the following ——.

Waterloo, Iowa.

May 12, 1931.

My order of plants came in good condition with good roots. I wish to thank you for your satisfactory dealings.

Sincerely,

Allentown, Penn.

Petunias in Variety. An outstanding specialty with us.
NEW PHLOX

*—Bifida. Prairie Petunia. Dwarf Native Kansas Prairie Phlox. A rock garden plant of first importance, continuous all summer bloomer, flowers large and a pleasing rich blue violet. Potted 8$1; 100$12; R. C. 100$5; 1000$45.

*—Lamphamii vera nana. Dwarf Hardy Blue Spring Phlox. Flowers bright blue, strong native grower and long blooming season recommends this latest Phlox acquisition to all southwest conditions. Potted 8$1; 100$12; R. C. 100$5; 1000$45.

*—Maculata Specie. New Dwarf Prairie Phlox. Hardy Kansas Native variety. May-June blooming, very showy rose-purple flowers. Meritorious Rock Garden and Bedding variety. Potted 8$1; 100$12; R. C. 100$5; 1000$45.

*—Prairie Splendens. Pink Prairie Phlox. Exceedingly valuable dwarf May blooming Phlox. Flowers bright rose-pink in striking masses. Potted 8$1; 100$12; R. C. 100$5; 1000$45.

SMILAX. Hardy Coralvine.

Hybrida Splendens Weaverii. (New). A twining vine to 15 ft. with long strings of beautiful coral red berries in large grape like clusters from September till winter. Nothing finer for holiday decorations. Potted 5$1; 100$18; Transplants 100$9.

VERBENA. Hardy Everblooming Variety.

*—Canadensis Weaverii. (New—First time offered to trade). Extremely hardy, veru prolific blooming, and of a healthy robust nature. Bright rosy-purple flowers in profusion from early spring until late fall. One of the finest, hardest Verbenas in existence. A native dry situation Kansas plant. Accustomed and acclimated to cultivation, and propagated at our nursery. Fine for banks, rockeries, beds. etc. Potted 8$1; 100$12; R. C. 100$4; 1000$35.

VIOLA.

*—Munbyana (New). Early dark violet, resemble the violets. Potted 8$1; 100$12; Transplants 100$4; 1000$35.

PANSY.

Weaver’s Rogelii Giants. Superfine color combination. Transplants 100$1.50; 1000$14.

May 22, 1931.

The plants I received from you this spring were the nicest and came packed better than any I have gotten anywhere.

Olney, Ill.

Nov. 30, 1930.

Plants arrived all OK, is nice stock and packed fine. Thanks very much.

Benton Harbor, Mich.
